

Healthwatch Coventry Authorised Representatives Volunteer Role Description

Authorised Representatives are volunteers who carry out visits to NHS and social care services to see how they are delivered and gather information from people using the services.

Healthwatch Coventry has different teams of authorised Representatives e.g. one for visiting care homes; one for hospitals etc each team will be trained appropriately for the role.

Successful completion of specific training courses meeting Healthwatch England good practice is required along with completion of a DBS (disclosure and barring Service) check for authorisation.

What is Healthwatch?

Healthwatch is the consumer champion for NHS and social care services in Coventry. Our job is to argue for the interests of all who use health and social care services. We give local people a powerful voice - making sure that views and experiences are heard by those who run, plan and regulate health and social care services. We are independent of services (such as hospitals and GPs) and decide our own programme of work.

Why are volunteers important to Healthwatch?

Volunteers make a very important contribution to our work and the activities enabling us to gather the views and feedback of local people about their service, work for better services and hold services to account. We could not do our work without our volunteers.

Information about Enter and View

Enter and View is a process used to establish intelligence about a particular local service (health and social care) and provides an opportunity for Healthwatch representatives to gain experience of the service.

Visits may take place in a variety of health and social care settings to include: hospitals, care homes, nursing homes, day centres/provisions for adults who have mental health issues or learning disabilities or older people (any establishment which provides a health or social care service commissioned through the NHS or Coventry City Council).

All authorised representatives appointed will receive training required by Healthwatch Coventry free of charge.
